

Minigolf Youth World Grand Prix 2021, Murnau, Germany

WMF together with DMV and MGC Murnau are proud to announce the alternative event for the cancelled YWC 2021 – Minigolf Youth World Grand Prix 2021 in Murnau, Germany.

The official event dates are from Tuesday, August 10th to Saturday, August 14th. Tuesday to Thursday are official training days and Friday to Saturday the tournament days. The official invitation will come out in around 10 days' time, but here are some rough guidelines:

Youth national teams are entitled to participate, most likely with max. 12 players per nation. It will be a strokeplay event for individual youth girls and youth boys. A team competition for teams of four (with one result cancelled each round) will be included. We are also considering the possibility to form teams from several nations, so that smaller nations could also participate in the team competition.

We want to come with this preannouncement now, so that the participating teams can book their accommodations as soon as possible. However, please be sure to make cancellable/refundable agreements only, as it may still happen that the event needs to be cancelled on short notice, although the current situation is looking optimistic. The organizers will accept no liability for problems with bookings. The registration deadline for the tournament will be July 10th, 2021. The organizers will provide a hygiene concept, which will be available to all participants in right time.

We hope to see many of you in Murnau in August to enjoy the youth minigolf family atmosphere and prepare for the YWC 2022!
